Seminar Group Goal: These are things that I should be doing during seminar.		Seminar Individual Goal:	
Conduct- I should ... ☐ Listen respectfully ☐ Invite comments ☐ I should not interrupt	Listening- I should ... ☐ Look at the speaker ☐ Make textual references ☐ Ask follow-up questions ☐ Take notes on other's comments	Speaking- I should ... ☐ Speak at least 3 times ☐ Refer to text at least 2 times ☐ Ask at least 2 questions ☐ Explain and justify my ideas	Critical Thinking- Give a response that ... ☐ Goes beyond the text ☐ Reflects listening to others ☐ Explains disagreements with text support ☐ Reflects comprehension of text ☐ Make connections: Text to Self, Text to Text, Text to World
Seminar Rules: 1. Reading the selected text is <u>essential</u> in participation. 2. Listen by looking at the speaker, perhaps taking notes, and not talking while another is talking. 3. Speak loud enough for everyone to hear, asking questions as well as making statements, while looking at others. 4. Think deeply about the ideas and values expressed in the dialogue, examining the various perspectives with an open mind. 5. Refer to the text by citing specific page and line numbers and quoting actual passages to support a point of view. 6. Address others respectfully by using others' names agreeing/disagreeing constructively, and making connections to others' comments.		Starting phrases to use in reference to another's comment or participant: "I want to build on ..." "I want to connect my thoughts to ..." "I agree with ..." "I disagree with ..." "I have a question about ..." Notes or questions that come to mind that you want to jot down so that you don't forget them:
